

PCX 12/36 & 13/40 PLATE COMPACTORS

FEATURES & BENEFITS

- Foldable mounted guide handle offers superior manoeuvrability and can be lowered to operate under obstacles and close to form work.
- Reinforced centrifugal clutch ensures longer belt life, and simplified belt adjustment.
- Lifting points and front lift cage offer easier loading and unloading for operator convenience.
- Large 9.5 litre water tank is built into the protective frame.
- Angled holes on spray bar allow complete water coverage over the full width preventing any asphalt pick-up on plate hottom.
- The spraybar is fully protected from damage, easily positioned, with integral paving pad clamp points.
- Life lubricated vibration bearings.
